*\*We do not climb higher than a 2-step ladder; higher items will only be dusted with an extension duster*

*\*We cannot move furniture but will try to reach any visible places either by hand or with an extension duster*

*\*Most homes have at least one chandelier or vaulted ceiling fan that we cannot reach by hand*

*\*We cannot guarantee the results of mini-blind cleaning. Excessive build up may require ultra-sonic mini-blind cleaning.*

*\*Please allow for some dust resettlement after we leave, we try to limit the dust in the air but cannot prevent this entirely.*
